Your child will not be allowed to undertake practical lessons, unless they have the right shoes to ensure their safety.

- The Department's Occupational Health & Safety regulations requires all students to wear only enclosed black leather school shoes (ballet or slip-ons are not permitted).
- On days where students have PE, they need to bring their sports shoes in their bags and change before class.
- On sports days, sports uniform and sports shoes are required.

- You must attend a minimum of 80% of all scheduled classes.
- You must provide a doctor's certificate for any absences of 3 (three) days or more. The doctor must be a registered medical practitioner. Attendance requirements for student visa holders

- All students are expected to attend class every school day.
- International students are on a student visa and have additional attendance requirements as a condition of your student visa.

14.3 Important Safety Tips

When you are out with friends or by yourself, here are some simple things to remember:

- Always **plan your trip** home, especially at night. You may want to pre-book a taxi/Uber or arrange transport with a friend. Always make sure you have enough money to get home.
- **Avoid staying out past 8pm.**
- If you have a part-time job, **do not work during school nights** Monday – Thursday and return home by 9pm on weekends.
Note: Students must have been enrolled for at least 6 months in high school before working, and must provide a letter of consent from their parents. IEC students are not eligible to work.
- Try to **travel with a friend** or in a group at night.
- **Keep your bag** and belongings **close to your body** and where you can always see them.
- **Leave valuables at home** if you don't need to take them with you. This includes jewellery, electronic equipment such as your laptop and your passport.
- **Do not carry large amounts of money** with you. The majority of retailers accept electronic payment through cards or payment systems on your phone. You can take money out at ATMs found in shops, supermarkets, petrol stations, shopping malls, shop fronts and many other public places.
- **Do not accept parcels** that do not directly belong to you. You will be held legally responsible for the contents of the parcels.
- **Do not pay for school fees through people who offer discounts.** This is a SCAM.
- **Call 000 in the event of an emergency.** Remember, calls to 000 are free of charge.

Did you know?

You must let your school know of **any change of your address and contact details as soon as possible, no later than 7 days.**

This is a student visa requirement and helps to keep you safe if the school knows where you live and how to contact you in case of an emergency.

14.4 Cyber Safety

When using the internet, like anywhere in the world, you should protect yourself against spam, online scams, identity theft and online bullying. Protect yourself by following these tips:

- If you are using a public computer, make sure you **log out of your online accounts** such as your social media account, bank or email accounts, and log out of your computer account before you walk away.
- **Do not give away your personal information.** This includes your name, phone number, address, email address, date of birth, usernames and passwords, and bank details.
- If you think you're being harassed or bullied online, **report the person being abusive** to the website or social media administrators and talk to someone you trust straight away — such as a parent, ISC/teacher or friend, or contact **Kids Helpline (1800 55 1800)**
- **Ignore, block or mute** the person being abusive online and do not engage with them

You can find more information on the Kids Helpline website at:
<https://kidshelpline.com.au/teens/issues/online-harassment>

14.5 Road Safety and Public Transport Safety

- Where available, use pedestrian walkways and only cross the street at pedestrian crossings or lights.
- Watch for traffic before you cross by looking left and right for oncoming cars.
- Do not use your mobile phone or put on your earphones when you are crossing the road.
- Avoid isolated bus, ferry, rail and light rail stops.

Public transport is reliable and widely used in Australia, particularly in metro and urban areas. A number of security measures have been implemented to maximise the safety of public transport users including security officers and guards, help points, good lighting and security cameras. However, you should still use caution whenever travelling on public transport:

- Check transport timetables to avoid long waits, particularly at night. You can download an app on your mobile phone such as **TripView**, **TripGo** or **NextThere** to view timetables of public transport and plan your trip. Visit <https://transportnsw.info/apps> for all the apps available to help you plan your trip.
- If you find yourself left in a train carriage on your own or with only one other person you may feel more comfortable moving to another carriage closer to the guard or driver.

Train carriages nearest to the driver or guard have a blue light on it and are safest at night.

14.6 Safety Apps

The **Emergency Plus app** is a national emergency app that you can use to get help as soon as possible in an emergency situation.

It tells you the exact location on the map and the GPS coordinates that you can read to the operator when you call the emergency service.

14.7 Water Safety

- Check whether a beach is closed before you go. Closed beaches are not patrolled and signal dangerous conditions.
- Only **swim between the red and yellow flags** on the beach. This is the area where lifeguards and lifesavers patrol to keep you safe.
No Flags = No Swim
- Look for, read and **obey water safety signs**.
- **Never swim alone** at the beach.
- Check water conditions and water depth before swimming – never dive head first.
- Never bathe and swim directly after eating or under the influence of drugs including alcohol.
- Learn how to spot a **rip current** and keep clear of the area.
- Always **use sunscreen** to protect exposed skin, put on a shirt, wear sunglasses and a hat when not swimming, and drink plenty of water.

Spot and Survive a rip current

Rip currents are the number one hazard on Australian beaches. The things to look for are deeper, dark-coloured water; fewer breaking waves; a rippled surface surrounded by smooth waters; and anything floating out to sea or foamy, discoloured, sandy, water flowing out beyond the waves.

If you are caught in a rip: **stay calm, float with the current, call out HELP** and **raise an arm** to gain attention of nearby surfers or lifeguards.

Learn about how to spot a **rip** and what to do when you are caught in a rip from the videos (multi-languages) on the **Beachsafe** website: <https://beachsafe.org.au/surf->

15. Reporting Incidents and seeking help

Bullying, assaults and harassments of any form is not tolerated in Australia. If you have experienced any form of assault (either sexually or physically), harassment or any abuse, or think you are in danger of being assaulted, use the following services:

16. You and the Law

The laws in Australia can be very different from your home country.

For example:

- it is illegal to ride a bike without wearing a helmet
- it is illegal to ride an e-scooter in NSW
- it is illegal to purchase and consume alcohol if you are under 18 years of age
- it is illegal to purchase and smoke cigarettes/vapes if you are under 18 years of age
- possession and use of illegal drugs is a criminal offence
- it is illegal to use a mobile phone whilst driving

Visit the website www.lawstuff.org.au for information about laws relating to you.

16.1 Driving

You need to be at least 16 years old to be a Learner (L Plater) for driving a car. For car drivers, you can attempt a Driving Test to get your P1 (red) licence once you have turned 17 and you:

- have been on your L's for at least 12 months
- have logged at least 120 hours driving time which includes 20 hours night-time driving.

If you are driving a car on a Learner (yellow) or P1 (red) licence:

- You must not drive faster than 90 km per hour
- You must have a zero blood alcohol limit
- You must not use any functions of a mobile phone including hands-free devices while driving.
- You must not drive with more than one **passenger** under 21 between the hours of 11pm and 5am.

If you are driving a car on a P2 (green) licence:

- You must have a zero blood alcohol level
- You must not exceed a maximum speed limit of 100 km/h

- ***Driving without a licence or using a mobile phone while driving is illegal***
- ***Seatbelts are compulsory for drivers and passengers in Australia.***
- ***Speeding and drink driving are dangerous and are against the law.***
 - ***You could lose your licence or go to jail if you are caught speeding or drink driving.***

17. Taking a Part-time Job and Your Work Rights

17.1 Allowable Work Hours

In order for you to work part-time, you **MUST**:

- **Not** be enrolled in an Intensive English Program
- have been **enrolled for at least six months in your current high school**
- have a satisfactory attendance record
- provide your school with a letter of consent from your parents.

Students enrolled in an Intensive English Program are not permitted to work.

If you are taking a part-time job, remember:

- Any part-time work during school term must not interfere with your school studies
- You must **NOT** work more than 40 hours per fortnight (14 days) which is a mandatory student visa condition
- You should not work more than 10 hours per week in school terms
- You should not work during school days (Monday – Thursday) as this may impact on your learning
- You should not work past 8pm during the weekend.

17.2 Tax File Number

You must obtain an Australia Tax File Number (TFN) in order to work part-time. Your TFN is your personal reference number in the Australian tax system and you will be asked to provide your TFN to your employer at the workplace. If you do not have a TFN, you will be taxed at a higher rate.

You can apply for a TFN online at the **Australian Taxation Office** website at www.ato.gov.au.

17.3 Know Your Work Rights

Workplace rights

Pay rates and workplace conditions are set by Australian law. All people working in Australia, including those from overseas, have rights and protections at work. These cannot be taken away by contracts or agreements. These rights protect:

- entitlement to a minimum wage and superannuation
- challenge of unfair dismissal from the job
- leave, breaks and rest periods
- a healthy and safe work environment

Getting help to resolve a workplace issue will NOT automatically affect your student visa.

If you have questions about your pay and conditions while in Australia, you can contact the **Fair Work Ombudsman** for free information, resources and advice.

Visit www.fairwork.gov.au for information for visa holders and international students. This includes information in 27 languages. There are also a range of helpful videos available at

www.youtube.com/fairworkgovau about working in Australia in many languages.

You can also contact the Fair Work Ombudsman by phone within Australia on **13 13 94 (Translating and Interpreting Service 13 14 50)**.

Pay

Your minimum pay rate can come from an award, enterprise agreement or other registered agreement, or the national minimum wage. Employees have to be paid the right pay rate for all hours they work including training, team meetings, opening and closing the business and doing a trial shift.

National minimum wage

Certain employees may have different pay entitlements depending on whether they have a reduced work capacity because of disability, if they are under the age of 21 or if they are an apprentice or trainee. You can calculate your correct pay and entitlements using the Pay and Conditions Tool at www.fairwork.gov.au/pay

More information on employment in Australia is available on our website at www.homeaffairs.gov.au and on the website of the Department of Employment at www.dewr.gov.au

Always ask for a payslip to keep track of your hourly rate, penalty rates, superannuation contributions and tax details, especially if you are getting paid with cash in hand. This is a mandatory requirement for an employer in Australia.

18. Transport and Travel Concession

Children 4 to 15 years of age are entitled to a child's half fare concession. School students from the age of 4 to **16 years of age and older** are entitled to a half fare concession.

In order to travel on public transport at concession fares, you must carry a **NSW Transport Concession Entitlement Card** (previously known as the Proof of Age card for children 4 to 15 years, Senior Secondary Student Concession Card for 16 years and over, and Mature Secondary Student Concession Card for 18 years and over).

Please see your office staff to apply for a Transport Concession Entitlement Card before you get a Child/Youth Opal Card. You must carry this card with you at all times and present it to ticket inspectors when required.

Opal card is the smartcard ticketing system used to pay for travel on public transport in Sydney, the Blue Mountains, Central Coast, the Hunter and the Illawarra.

You should get a **green CHILD/YOUTH OPAL CARD** by applying online at the Opal website: www.opal.com.au/ordercard. If you lose your card you can report it as lost or stolen.

You can also get an **unregistered Child/Youth Opal card** from your nearest newsagent or opal retailer over the counter. However, this card is not registered and therefore cannot be reported as lost or stolen.

19. Overseas Student Health Cover (OSHC)

You must have and maintain your Overseas Student Health Cover (OSHC) while you are in Australia. This allows you to access medical services at an affordable cost while you study in Australia. It is also a student visa requirement.

Activate your OSHC membership

You would have already purchased an OSHC membership before you arrive. **It is important that you activate your OSHC as soon as you arrive.**

Medibank OSHC members

If your OSHC policy is provided by **Medibank OSHC**, activate your membership by following the steps below:

1. Go to <https://www.medibankoshc.com.au/oshcactivate/>
2. Search the student profile using your personal details including membership number, birth date, and name.
3. Then fill the next page with your information and click “submit” when completed.

Obtain your OSHC membership card

Once you have activated your membership, it is important that you obtain your membership card. Different providers may have different forms of membership card (electronic or plastic card or both).

If you are a **Medibank OSHC member**, you can download your **Digital Membership Card** through the Online Member Services on the Medibank website.

1. Log in to Online Members Services at www.medibankoshc.com.au
2. Once logged in, select ‘My Account’ in the top menu
3. Select ‘View Digital Card’
4. Once completed, save a copy of the card to your mobile phone and computer or tablet so that you can access it at all times.

Know your cover

It is important that you know what is covered and what is not covered in your policy, how much you can claim and how to make a claim if you do have to visit a doctor.

If you are a **Medibank OSHC member**, you can access the following **Online Member Services** on www.medibankoshc.com.au

Once you have access, you will be able to:

- Activate membership for new members
- Access digital member card
- Update membership details (including bank details for refund)
- Get policy information
- Make online claims

If you have a problem with your OSHC, you should contact your insurer in the first instance. If you are insured with Medibank OSHC, call 134 148.

*If you are **NOT** a Medibank OSHC member, ensure that you check with your OSHC provider to find out how to activate your cover, obtain your membership card and how to make a claim online or contact your education agent for assistance.*

20. Accommodation

20.1 Homestay for under 18 students

If you are living in a homestay approved by DE International, your accommodation has been arranged by one of the three approved homestay providers.

Rules and expectations

Homestay is a great way to learn about the Australian culture and to improve your English. However, living with a new family in Australia can be quite challenging at first, and you need to follow **some rules on how you are expected to behave in a homestay family**:

✓ Follow the rules

Because your accommodation has been approved by DE International, it is important that you follow the rules to make sure you stay safe during your stay in Australia:

- **Come home for dinner every day** – you are expected to come home after each school day. You cannot stay overnight at a friend's or relative's place without approval from DE International
- **Follow the curfew time** – on special occasions when you have to come home late, be sure to let your host parent know. Please note that you should be home by 8pm on weekdays and 9pm on weekends
- **Stay in a homestay arranged by one of the three approved homestay providers** (refer to section 9.2) and seek approval from DE International if you want to move
- **Do not invite friends to stay at your homestay overnight** without your host parent's consent.

Your homestay will also have house rules that you must follow, but a lot of them are just common sense. For example,

- keep your room clean and tidy during your stay
- do not eat in the bedroom for hygiene reasons
- tidy up or clean up after yourself around the home
- call your host parent if you are running late
- turn off the lights and appliances when you are not using them to avoid wasting energy
- take short showers no longer than 10-15 minutes to save water, especially during a drought season
- switch off your devices by 11 pm and be considerate of household members who may be sleeping
- Internet should only be used for school purposes, and not for playing games until early hours of the morning
- be sure to help keep the home secure by closing and locking the doors when you leave (don't lose your house keys or give them to anyone else)
- look after furniture and items in your home and always clean up after yourself e.g. bathroom/toilet, kitchen, laundry
- be respectful to all family members, friends and visitors to the home
- help out with house chores wherever possible
- enjoy spending time with family members, dine together and engage in family

activities

- learn to communicate freely with your host parents and share any feelings or concerns you might be experiencing.

Remember that things will be different from what you are used to at your home overseas and it may take some time for you to adjust – this can be the food, culture, language and people in the home.

*Be **flexible and open-minded**, and don't be afraid to try new things!*

✓ **Be respectful and considerate**

Always show respect and be polite to your homestay family. Treat them the way you would like to be treated. Be aware that what you do in the home may affect others. For example, watch the volume when you play music or watch TV, and clean up after yourself, especially in common areas such as kitchen and bathrooms.

✓ **Take time to know and talk to your homestay family**

Don't be shy! Instead of going into your own room when you come home, hang out with your host family. It's always good to start the day with "good morning" and start a conversation with "How was your day?" when you come home.

Also, don't be afraid to ask questions when you are unsure, and talk to your host if you want to be heard, such as if you want more food at dinner time or if your room is too warm. Just be respectful and reasonable.

Similarly, **your homestay host** also has to follow rules when they are hosting you. For example, they must:

- welcome you into the home and include you in family activities
- give you a key and any passcodes required to access the residence
- provide you with a safe and secure bedroom with storage space for your personal items, and facilities including a bed, desk, chair and adequate lighting
- live in the residence with you at all times, including holiday periods; and inform DE International if there's any change to the accommodation and welfare arrangements
- give you access to heating in winter and cooling in summer
- provide three meals per day, including food for making lunch
- attend school meetings and communicate with the school about your studies.

If there are problems in your homestay and they are not resolved after you speak to your host, or if the matter is sensitive and you prefer to speak to someone else, don't be afraid to speak to your International Student Coordinator. They are here to help you.

20.2 Renting or Sharing Accommodation (over 18 students)

If you have turned 18 and decided to rent or share accommodation, make sure you know your rights and responsibilities as a tenant.

The **Fair Trading NSW** website provides useful information on renting:

<https://www.fairtrading.nsw.gov.au/>

Under the law, your landlord must give you a copy of the New Tenant Checklist:

Here are some general **Dos** and **Don'ts** when you are renting on your own:

DOs:

- ✓ **Let your school know your new address within 7 days (a student visa condition)**, and let them know of an emergency contact – this person should be a trustworthy adult friend or relative in Sydney, and preferably over 21.
- ✓ Make sure you **sign a lease agreement**, and read and understand the terms. The agreement will protect you if there are problems with your landlord. Remember you cannot be charged for the preparation of the agreement. **Keep a copy** of the agreement and all other related documents.
- ✓ **Check your agreement carefully** so you understand what you are signing up for. A few common things to look for are:
 - **Rent:** Check that the weekly rate is what you have agreed to and the time period of the contract. You have to pay your rent in advance. Your rent can only be increased after the specified period of time.
 - **Bond:** this is a deposit that you pay to cover any damages or if you end the lease early. The maximum you can be asked to pay is 4 weeks of rent. This bond should be refunded to you at the end of your tenancy.
 - **Any other fees** such as administrative fees, utilities (except water) etc.
- ✓ **Get a receipt** for any rent or fees that you have paid and keep them for your records. Avoid paying in cash if possible, and make sure you ask for a receipt.
- ✓ **Respect and follow the house rules**, especially if you are sharing the accommodation with others. However, if the house rules are unreasonable, refer to your lease agreement and talk to your landlord.

Keep the accommodation tidy and in good condition. Your landlord has the right to inspect the accommodation but they cannot show up without giving you notice.

DON'Ts:

- × **Don't move into an accommodation without an inspection or a key.** You should only move into a place after checking that it is in good condition.
- × **Don't pay a large deposit for a cheaper rate, or more than you need to.** For example you do not need to pay more than 4 weeks of the rent for the bond.
- × **Don't rent a place without signing a lease agreement.** It is illegal and is a clear warning sign of scam or subletting. Subletting is illegal in Australia and it will leave you unprotected if something bad happens.
- × **Don't let your landlord keep your passports, ID document or personal belongings.** While they may ask for copies of your passport or ID documents, they cannot keep them. They also cannot keep your personal items.

Problems with Your Lease

If you think you are being treated unfairly by your landlord, or if you have any unresolved problems:

- talk to your **International Student Coordinator** immediately for help and advice
- make a complaint to **NSW Fair Trading** at:
<https://www.fairtrading.nsw.gov.au/help-centre/online-tools/make-a-complaint>
- talk to the **police** in some cases, such as when you are scammed.

Visa Requirements You Should Know

Australia's laws promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

For a summary of the ESOS framework see: <http://www.internationaleducation.gov.au>

For information about student visa requirements refer to the Department of Home Affairs (DHA) website: www.homeaffairs.gov.au

Contact the **International Student Coordinator** at your school if you have any concerns or questions about your school, personal issues or other problems. The Coordinator will assist you or refer you to the appropriate staff member.

Your student visa

As an international student on a student visa, you must:

- comply with your student visa conditions
- ensure you have and continue to maintain your Overseas Student Health Cover (OSHC) for as long as you stay in Australia on a student visa
- tell your school if you change your address or other contact details
- maintain satisfactory course progress and attendance.

Information about visa conditions for student visa holders is available on the Department of Home Affairs website at <https://www.homeaffairs.gov.au/trav/stud/more/visa-conditions/visa-conditions-students>, or call 131 881.

The following regulations apply to your studies at a NSW government school:

21. Attendance and Course Requirements

- You must **attend a minimum of 80%** of all scheduled classes. If you do not meet attendance requirements you may be reported to the Department of Home Affairs, unless there are compassionate or compelling circumstances (refer to section 21).
- You must provide a doctor's certificate for any absences of 3 days or more. The doctor must be a registered medical practitioner. If you are absent for 1 or 2 days, a letter of explanation must be provided by your carer or if you are over 18 years, you can provide your own written explanation to the principal.
- You **must meet course progress requirements**. Your school will provide you with information about course requirements as outlined by the NSW Education Standards Authority (NESA). Further information about course requirements is available at: <http://educationstandards.nsw.edu.au>
- If you fail to meet the 80% attendance requirements or the course progress requirements, an **Intention to Report** letter will be issued to you and your parents and you will have 20 school days to appeal internally to the principal. If you do not receive a successful school appeal outcome you can then appeal externally to the NSW Ombudsman. If you fail to appeal or do not receive a successful appeal outcome, you will be reported to the Department of Home Affairs and this may impact the status of your student visa.

22. Accommodation and Welfare Arrangements

- All students must be picked up at the airport on arrival in Australia.
 - If you have requested a Homestay family, a compulsory airport transfer will be arranged for you.
 - If a relative or close family friend has been approved as your carer then arrangements must be made for them to meet you at Sydney International Airport.
- If you are under 18 years, you must **maintain your approved accommodation, support and welfare arrangements**. If these arrangements are approved by DE International, **you must not change those arrangements without prior written approval**. Requests to change the arrangements must be made in writing to DE International and signed by your parents.
- If you want to **change your Homestay**, you should contact the International Student Coordinator at your school.
- DE International recommends that students over 18 continue to live with relatives or Homestay families rather than move out to live independently. Changes to accommodation should be within reasonable travelling distance to your school.
- Your parent or relative (approved carer) must **notify your school** of your residential address **within 7 days of arriving in Australia**. They are also required to notify the school if there are any **changes** of address and contact details within 7 days.
- Students over 18 years who change address must also notify their school within 7 days.

23. Conditions of Enrolment

- You must commence school enrolment on the date stated on the **Confirmation of Enrolment (CoE)** and if this is not possible, notify DE International in writing within 24 hours of the start date on the CoE.
- You must adhere to school rules and the terms and conditions of enrolment as stated on the international student application form. You will receive information about school rules and expected behaviour at orientation.
- Your school may suspend or cancel your enrolment on grounds of misbehaviour. For further information about student behaviour and suspension and expulsion of students, contact the International Students Coordinator at your school.
- Travel during school holidays, other than returning to your home country, is only permitted if you are travelling with your carer, an approved relative or on an approved school excursion. Written permission from your parents is required.
- If you want to transfer to another government school you must provide a written request to your school signed by your parents.
- If you want to change provider you must provide a written request to your school signed by your parents. For further information concerning visa regulations about change of provider, refer to the Department of Home Affairs website and the coordinator at your school.

19. Taking Leave

If you are going to be absent for **a week or more** during school term, or plan to take extended leave, your parents **must complete a Leave Request form to seek approval** from the principal and **DE International** prior to taking leave or booking flights. Approval is only granted on compassionate or compelling grounds (refer to guidelines below).

20. Deferment of Course Commencement Date

Any request for a deferment must be submitted in writing and signed by your parents to DE International. A request for deferment after your student visa has been issued will only be approved where evidence of compassionate or compelling circumstances can be provided. A deferment may affect your visa so please consult the Department of Home Affairs before submitting a request.

21. Guidelines for Compassionate or Compelling Circumstances

Compassionate or compelling circumstances refers to situations that are generally beyond your control. Examples include, but are not limited to:

- illness, where a medical certificate states that you are unable to attend classes (e.g. serious medical issues or hospitalization that require extended time away from school)
- loss of close family members such as parents or grandparents (this must be supported with a death certificate or other evidence either prior to departure or on return)
- major political upheaval or natural disaster in your home country which may impact your studies
- a traumatic experience which could include, but is not limited to:
 - involvement in, or witnessing of an accident
 - witnessing or being the victim of crime and this has impacted on you (these cases must be supported by police or psychologists' reports or advice)
- inability to begin studying on the course commencement date due to delay in receiving a student visa.

Where DEI has approved your leave on compassionate or compelling circumstances, your attendance percentage will be adjusted.

However, if you are sick and absent from school for a shorter period of time, this leave will still be counted in your attendance percentage. This means that if your attendance falls below 80%, you will be issued with a warning letter.

If your attendance remains below 80% after you are issued a second warning letter, or your attendance falls below 60%, you will be issued an Intention to Report to immigration, which you will have a right to appeal. If you provide a medical certificate for your sick days, this will be considered in your appeals process should you choose to submit an appeal to your principal.

22. Approved Enrolment on Hold

If you are required to take leave for **longer than 5 days** from school due to compassionate or compelling circumstances, an enrolment on hold may be possible, whereby your absence is not counted towards your attendance rate.

Prior to taking leave, a signed leave request from your parents must be submitted to DE International for approval along with evidence of compassionate or compelling circumstances.

An enrolment on hold may affect your visa, so please consult the Department of Home Affairs before submitting a request.

23. Complaints and Appeals

NSW Department of Education has a complaints and appeals process which is available on the website. If you wish to make a complaint or appeal a decision made concerning your enrolment, course progress or other decision, you should contact the International Student Coordinator at your school. Your carer (if you are under 18) or support person (if you are over 18) must be present with you in any appeal interviews.

If you are not satisfied with the outcome of the internal complaints and appeals process, you will be given access to the external appeals process through the NSW Ombudsman.

You must maintain your enrolment throughout any appeal process until the process has been completed.

24. Work

- Students attending an Intensive English Program are not permitted to work.
- To work part-time, DE International requires that you must have been enrolled for at least six months in your current school, have a satisfactory attendance record and provide your school with a letter of consent from your parents before beginning part-time work.
- Any part-time work during school term must not interfere with your school studies and must not exceed 40 hours per fortnight during holiday periods. Please note that you should **not work more than 10 hours per week** during the school term, as any more hours may impact on your learning.

LEAVE REQUEST

Student visa conditions require that you must attend school every day during the school term. All **unapproved** short or extended leave is recorded as non-attendance and **may affect your visa**.

Please read and follow the instructions below carefully:

- Submit this leave form at least 4 weeks before the planned departure date to your school before you book any flight tickets.
- Travel during school holidays (other than returning to your home country) is only permitted if you are accompanied by a parent, guardian, homestay carer, close relative or on an approved school excursion.

AUSTRALIAN NATIONAL ANTHEM

Australians all let us rejoice,
For we are one and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.

Beneath our radiant Southern Cross
We'll toil with hearts and hands;
To make this Commonwealth of ours
Renowned of all the lands;
For those who've come across the seas
We've boundless plains to share;
With courage let us all combine
To Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.
